Special Notice

II. The North American Industry Classification (NAICS) code for this acquisition is 334516, Analytical Laboratory Instrument Manufacturing6. Size Standard 1000.

III. This procurement is being conducted under Federal Acquisition Regulation (FAR) part 8.405-6 (b)(1) Limiting sources. Brand name specifications shall not be used unless the particular brand name, product, or feature is essential to the Government's requirements, and market research indicates other companies' similar products, or products lacking the particular feature, do not meet, or cannot be modified to meet, the agency's needs.

IV. The anticipated award date is May 1, 2025. The Government intends to award a Firm-Fixed-Price delivery order.

V. Please note that this is not a request for competitive quotes and is being posted for informational purposes only. The government does not anticipate receiving responses to this notice. However, interested parties who disagree with this action may submit a letter of interest that demonstrates your firm's technical capability and product. The government reserves the right to verify any request additional documentation submitted.

VI. Interested parties may identify their interests by provide product documentation, literature, salient characteristics and additional communication how product as mentioned in section I of this document meets the government requirement and respond to this notice within fifteen (15) calendar days of the publication of this notice. Any response to this notice must show clear and convincing evidence that competition would be advantageous to the Government.

Interested parties may identify their interest solely via email to Contracting Officer, Anthony Marion, Anthony.marion2@va.gov **no later than April 4, 2025, 10:00am Central Standard Time (CST)**. When responding to this announcement, respondents should include 36C25625Q0693 Notice of Intent" in the subject line.

VII. Late responses may not be accepted. No telephone inquiries will be accepted nor will phone calls be returned. Only emailed responses will be considered. Information received will be utilized solely for determining whether to conduct a competitive procurement. A determination not to compete this proposed acquisition based upon responses to this notice is at the sole discretion of the Government.
