

SINGLE SOURCE JUSTIFICATION NOT EXCEEDING THE SIMPLIFIED ACQUISITION THRESHOLD

SECTION 1: IDENTIFICATION OF THE AGENCY AND THE CONTRACTING ACTIVITY

Department of State Contracting Activity	☐ Office of Acquisitions Management ☐ Foreign Service Institute ☐ Office of Foreign Missions ☐ U.S. Mission to the United Nations ☒ Overseas Post - Embassy Athens
Requiring Activity	Independence Day Celebration 2025

SECTION 2: NATURE AND/OR DESCRIPTION OF THE ACTION BEING APPROVED

Approval is requested to award on a sole source basis to Megaron, the Athens Concert Hall for the supplies and/or services described in Section 3 on behalf of the Requiring Activity.

SECTION 3: DESCRIPTION OF SUPPLIES/SERVICES REQUIRED TO MEET THE AGENCY'S NEEDS

The requirement is to provide a venue space at Megaron, the Athens Concert Hall. The estimated value for the entire period of performance is \$15,500.00, including options. These supplies/services require that the U.S. Embassy have the exclusive use of the venue space for the purpose of hosting the annual Independence Day representational event. This will allow U.S. Embassy Athens to host a fully accessible representational event, in line with the Americans with Disabilities Act (ADA), that accomplishes the Mission's goal of furthering U.S. interests abroad and portraying American values in the best light possible. By utilizing a state-of-the-art venue with fully accessible features that align with the ADA, the Mission can welcome the attendance of guests, and Mission employees working at the event, with mobility and visual impairment disabilities. Historically, Embassy Athens has hosted the Independence Day event at the Chief of Mission Residence, a historical building that does not have accessibility features integrated into the design of the structure and cannot be modified to accommodate guests with mobility issues without the expenditure of USG funds in excess of \$200,000. This assessment was confirmed in February 2024, following the Embassy's request for an organization, which specializes in providing critical recommendations concerning the fitness of companies and event venues to accommodate people with disabilities, found that the Mission's Chief of Mission Residence was far outside the bounds of modern compliance with accessibility features. The Chief of Mission Residence is currently under renovation to comply with the ADA, however, the property will not be complete and fit for use until several months after the Independence Day holiday and traditional celebration period.

SECTION 4: IDENTIFICATION OF THE STATUTORY AUTHORITY PERMITTING OTHER THAN FULL AND OPEN COMPETITION

In accordance with Federal Acquisition Regulation (FAR) 13.106-1(b)(1), the Contracting Officer has deemed only one source reasonably available based on the following:

- ☐ Urgency
- ☐ Exclusive licensing agreements
- ☐ Brand-name
- ☐ Industrial mobilization
- ☒ Other FAR 6.303-1 – Only one responsible source and no other supplies or services will satisfy agency requirements.

The mission requires this event to include the ability to host 1,500 guests, accessibility for guests with mobility and visual impairment disabilities, parking availability for up to 500 parking spots, and proximity to the U.S. Embassy for security purposes. In February 2025, Embassy Athens conducted market research by contacting alternate event venue spaces with the ability to host 1,500 guests, including guests with mobility and visual impairment disabilities. The results of the market research pointed to the Megaron Athens Concert Hall as the only event venue available in a 180-day period that could provide a fully accessible event venue at a reasonable cost. There has been no change in the available market of rental spaces since our previous market evaluation in March 2024. A February 2025 quote from another venue started at 6,000 Euros for up to 250 guests for the facility rental alone. The Megaron Athens Concert Hall communicated through their administrative staff that the facility must be reserved by April 1, 2025, or the Embassy would risk losing the opportunity to rent the event space.

SECTION 5: DEMONSTRATION THAT THE PROPOSED CONTRACTOR'S UNIQUE QUALIFICATIONS OR THE NATURE OF THE ACQUISITION REQUIRES USE OF THE AUTHORITY CITED

The Chief of Mission Residence, which was historically used to host this event, is unavailable due to ongoing major repairs. The Embassy conducted a thorough review of available properties in 2025. The Embassy identified that this facility was the only venue that met the requirements of this event, and no additional properties have been constructed in Athens, Greece since the review in February 2025.

The Megaron Athens Concert Hall is a state-of-the-art venue with fully accessible features that will all for the attendance of guests with mobility and sensory disabilities. The facility's location directly across the street from the U.S. Embassy also provides easy access for our security teams, and it can accommodate parking for up to 500 vehicles. The price for the venue rental did not increase from the 2024 rate, which was determined fair and reasonable at that time.

Due to the location, accessibility features, security and short suspense required for the procurement of an event space for the 2025 Independence Day event, the Megaron Athens Concert Hall is the best and only option available to the Embassy to host this year's event.

SECTION 6. DETERMINATION BY THE CONTRACTING OFFICER THAT THE ANTICIPATED COST TO THE GOVERNMENT IS FAIR AND REASONABLE

By signing the justification, the Contracting Officer makes a determination that the price to the Government is anticipated to be fair and reasonable.

SECTION 7. CERTIFICATIONS

All reviews and approvals should be completed in the order listed unless otherwise authorized or required.

REQUIREMENTS CERTIFICATION

I certify that the facts and representations under my cognizance which are included in this Justification and its supporting acquisition planning documents, except as noted herein, are complete and accurate to the best of my knowledge and belief.
