

Statement of Work (SOW)
For
Lightspeed Zulu 3 Headsets (P/N# Lightspeed 4064)

Prepared By: SAIA Casey King

1. BACKGROUND:

Under the authority of Title I, Sec. 101 Homeland Security Act of 2002 as amended, the Department of Homeland Security (DHS) was established to prevent terrorist attacks within the United States; reduce the vulnerability of the United States to terrorism; and minimize the damage, and assist in the recovery, from terrorist attacks that occur within the United States. The Department of Homeland Security (DHS), Customs and Border Protection (CBP), and the Office of Air and Marine Operations (AMO) are responsible for the interdiction of illegal contraband, persons, and serves as the first line of defense against terrorism. Based on the recent increase in aviation platforms and the ever-changing law enforcement operational environments encountered by AMO aviation aircrew members, the issue of providing proper law enforcement equipment remains vital to AMO; therefore, the **Lightspeed Zulu 3 Headset (P/N# Lightspeed 4064)** must be purchased. This essential piece of equipment is necessary, to meet all the agency's communications requirements, most importantly the superior noise cancellation ability, which enhances the ability of our aviation aircrew members, to communicate safely and effectively, while carrying out critical law enforcement flight missions.

2. SCOPE:

The objective is to provide all AMO aviation aircrew members with a high-quality aviation compatible headset while also maintaining noise cancelation and compatible, with all current communications equipment being utilized, in AMO aircraft. The contractor shall provide all the items as specified in this Statement of Work (SOW). Contractor will provide:
