

**LIMITED SOURCES JUSTIFICATION
NATIONAL NUCLEAR SECURITY ADMINISTRATION
OFFICE OF SECURITY OPERATIONS AND SPECIAL SECURITY PROGRAMS, SPECIAL
SECURITY AND TECHNICAL SECURITY DIVISION**

I. AGENCY IDENTITY AND CONTRACTING OFFICE

The services required are in support of the U.S. Department of Energy (DOE), National Nuclear Security Administration (NNSA), Office of Security Operations and Special Security Programs, Special Security and Technical Security Division (NA-772). The contracting activity is the NNSA Headquarters Services Acquisition Branch (NA-PAS-314).

II. NATURE AND/OR DESCRIPTION OF THE ACTION BEING APPROVED

This action is for the issuance of a new 12-month Task Order with a six-month option to extend services period utilizing the authority of FAR 52.217-8. The Task Order is planned as Firm Fixed Priced (FFP) to be issued to ManTech Inc. (ManTech), under General Services Administration (GSA) Multiple Award Schedule (MAS) Contract 47QTCA21D0031. Under the resulting action, ManTech will provide the Office of Defense Nuclear Security (NA-70) comprehensive security support [REDACTED].

III. DESCRIPTION OF SUPPLIES AND/OR SERVICES

ManTech shall provide [REDACTED] cleared, multi-disciplined, security personnel with expert level experience in supporting [REDACTED] security operations central to NA-772's mission. This requirement requires a wide range of expertise in performing [REDACTED] security operations across multiple topical areas including security [REDACTED] planning and management, physical, personnel, information, communications, and operations security. Specifically, ManTech will provide support in the following task areas:

- [REDACTED]
- [REDACTED]
- Classified Material Protection and Control (CMPC)/Facility Support
- Special Security Officer Support

The total estimated value of this action (inclusive of the option period) is [REDACTED].

IV. LIMITED SOURCES AUTHORITY

The authority permitting limited sources as implemented by Federal Acquisition Regulation (FAR) Subpart 8.405-6 (a)(1)(i) (B) – Only one source is capable of providing the supplies or services required at the level of quality required because the supplies or services are unique or highly specialized.

ManTech's experience and current involvement with this requirement uniquely positions it as the only contractor that can meet NNSA's immediate support requirements at the level of quality required. The requirements under this Task Order supports NA-772's ability to ensure the security of NNSA [REDACTED] activities. [REDACTED]

[REDACTED]

ManTech is the only contractor that can immediately provide the unique and highly specialized services at the level of quality required to meet programmatic needs. Under the current Order 89233124FNA400586, ManTech is providing the required support to the NNSA and possesses the requisite knowledge, Q-cleared experts [REDACTED]

[REDACTED]

For this short-term contract action, ManTech is the only source who meets DOE's [REDACTED] requirements for this level of [REDACTED] national security information and can perform the requirement without any delay or gap in services. Due to the [REDACTED] requirement and the potential severe consequences that could result in operational damages to the Government it is imperative that ManTech continues to perform the requirement at the level of quality required until a longer-term contract is awarded.

V. CONTRACTING OFFICER DETERMINATION OF BEST VALUE

The rates in ManTech's GSA schedule 47QTCA21DA0031 are already considered fair and reasonable and the Government will request additional discounts. Because this is an Order under the MAS, the price is fair and reasonable per FAR 8.404(d).

VI. MARKET RESEARCH

Market research was conducted for this short-term requirement; however, no other vendor was determined to be able to immediately meet the agency's need at the level of quality required. Market Research is ongoing for the future longer-term contract action.

VIII. OTHER FACTS

None.

IX. STEPS TO FOSTER COMPETITION

NNSA is currently in the process of ensuring that the follow-on requirements can be performed by an awardee selected through a formal competition.
