Section B: Description of the Supplies/Services Required

Contractor responsible for furnishing personnel and transportation necessary to provide a Roman Catholic Priest for the Roman Catholic Community at Beale AFB under the direction of the Wing Chaplain.

Section C: Justification for Soliciting from a Single Source or Brand Name

A 6 month period of performance extension is being executed for contract #FA468620C0007 under the authority of 52.217-8. The current period of performance expires on 04/14/2025. Following the 6 month extension the service will not be re-competed, as the 9RW unit will have an enlisted military member serving as the Catholic Priest.

Section D: Efforts to Obtain Competition

The existing contract was set to expire on 04/14/2025, with no intention of executing the 52.217-8, as an enlisted military member is now assigned to the base to perform Catholic Priest services. However, this enlisted military member will be deployed from April 2025 to October 2025. A 6 month extension of the existing contract will cover this absence.

Section E: Steps to Preclude Future Single Source or Brand Name Awards

No future single source or brand name awards will be made for this service requirement, as this service will be provided by an enlisted military member going forward.

Section F: Contracting Officer's Determination

I have determined, in accordance with [FAR 13.106-1\(b\)\(1\)](#), that the circumstances of this contract action deem only a single source is reasonably available.
