

Justification for Other than Full and Open Competition

A. Justification

1. Contracting Office: Defense Commissary Agency, Supply/Equipment Acquisition Division, CCQSM, 1300 Eisenhower Avenue, Fort Gregg-Adams, Virginia 23801-1800
2. Description of Supplies or Services: The Defense Commissary Agency, Equipment/Maintenance Branch of the Engineering Directorate (CCNE), has a requirement to obtain shelving and accessories that are required to complete shelving resets at the Andersen Air Force Base and Fort Leavenworth Commissaries. The anticipated period of performance is March 1, 2025 through April 26, 2025. The total estimated purchase order value for the requirement is \$637,202.00.
3. Authority Cited: 41 U.S.C. 1901 as implemented by FAR subpart 13.5.
4. Reason for Authority Cited: Since 2007, DeCA has acquired Madix brand shelving and accessories for all full and partial commissary shelving resets. Over this eighteen-year period, DeCA has accumulated excess Madix brand shelving and accessories, with minimal damage, that the commissaries are able to reuse. Reusing these materials saves the agency a significant amount of surcharge funding. Madix is a shelving manufacturer that also includes installation in their product purchase, which simplifies DeCA's solicitation requirements and offers cost savings. Shelving manufactured by alternative vendors are not compatible with the Madix brand shelving.
5. Fair and Reasonable Price Determination: The Contracting Officer will ensure that contract terms, conditions and price are commensurate with the Government's need. Price reasonableness will be established in accordance with 13.106-3.
6. Market Research: Market research was conducted to determine the sources available to furnish and install the requested shelving at the Andersen Air Force Base and Fort Leavenworth Commissaries. Potential distributor sources were identified by utilizing previous acquisition history and research via internet searches. However, these alternate sources were not registered in SAM.gov. Market research revealed that there is no reasonable expectation of a small business being capable of providing and installing the Madix, Inc. shelving.
7. Interested Sources:
Company: Madix, Inc.
Address: 209 Alabama Highway 9
Goodwater, AL 35072

8. Actions to Increase/Foster Competition: Market research will be conducted on an ongoing basis to seek alternative, responsible sources capable of providing shelving installations that meet the characteristics presented in commissary equipment detail 2G14. This information will be used in the development of a larger requirement to obtain these items for various commissary locations over a multi-year period.
