

**SINGLE SOURCE JUSTIFICATION UNDER THE SIMPLIFIED ACQUISITION THRESHOLD (SAT)
PURSUANT TO FAR 13.106-1(b)(1)**

1. Identification of the agency and the contracting activity:

This is a justification to solicit from a single source for an acquisition being conducted by the Department of State, for the acquisition of a 1-year license renewal for a Cellebrite Premium machine, in Asuncion, Paraguay Post.

2. A description of the supplies or services required (including estimated value).

The requirement is to provide a 1-year license for Cellebrite Premium for Cellebrite machine with Serial No. 365412371. The estimated value for the entire period of performance is \$ 63,021, including options. These supplies/services require that Cellebrite provide Premium Service, unlimited for iOS and unlimited Android. This will allow the Drug Enforcement Administration Office to accomplish mission objectives aligned with the Rule of Law.

3. An identification of the circumstances that preclude competition:

In accordance with Federal Acquisition Regulation (FAR) 13.106-1(b)(1), the Contracting Officer has deemed only one source reasonably available based on the following:

- ☐ Urgency
- ☐ Exclusive licensing agreements
- ☒ Brand-name
- ☐ Industrial mobilization
- ☐ Other

4. Supporting information and facts.

This justification is for a request of a 1-year license renewal for a Cellebrite Premium machine that is currently in use. The alternative to renewing the Cellebrite license will be very costly, since a new set of equipment will be required, and will affect the workflow and efficiency given the that personnel will need to be trained from scratch on the new equipment and systems. Moreover, the Cellebrite system is being used at the moment and a break in licensing will cause loss of data and may put ongoing investigations at risk.
