

DEPARTMENT OF VETERANS AFFAIRS

Justification for Single Source Awards IAW [FAR 13.106-1](#)
For
Over Micro-Purchase Threshold but Not Exceeding the SAT (\$250K)

Acquisition Plan Action ID: 36C241-25-AP-2811

1. **Contracting Activity:** Network Contracting Officer 1, Regional Procurement Office East on Behalf of the Department of Veterans Affairs, VISN 1, West Haven VA Medical Center 950 Campbell Avenue West Haven, CT 06516-2770. Funding 689-25-2-7441-0290.
2. **Brief Description of Supplies/ Services required and the intended use/Estimated Amount:** This is a new, sole source requirement. The Contracting Activity is looking to acquire Hologic Service and Support for (2) Hologic Fluoroscanner InSight FD Mini C-Arm imaging Systems, (Serial No.'s 30-0623-29M/ 20-0317-20M) through OEM LB HOLOGIC SALES AND SERVICE, LLC, (UEI:Q1NBY5GKN9Z3) 250 CAMPUS DRIVE MARLBOROUGH, MA 01752-3020. This repair is for two Hologic Mini C-Arm systems that experiencing issues causing them to be down and not able to be used or patient care. Hologic is the authorized vendor who has been called to complete an assessment of the equipment to further diagnose the issues. They are the original vendor for the equipment and any repair parts that may be needed to resolve the issues and get the equipment back up and running. It is most advisable to proceed with Hologic as the vendor to send OEM vendor certified Field Service Engineers to complete assessment and make any needed repairs with OEM vendor parts. Using other vendors to complete this repair would not guarantee OEM vendor engineers or parts and could add extra time and costs to repair the systems and further prolong patient care. Estimated Total Amount of Service [REDACTED]
3. **Unique characteristics that limit availability to only one source, with the reason no other supplies or services can be used:** The Surgical Service at VA Connecticut is experiencing issues with two of their Hologic Mini C-Arm systems that are affecting patient care. One C-Arm system is unable to properly load software, and the other system is unable to power on. The contractor shall provide emergency repair service for the two Hologic Fluoroscanner InSight FD Mini C-Arm imaging system equipment located at the VA Connecticut Healthcare System. This equipment is used by Surgical Service in the Operating Rooms for imaging with greater positioning, flexibility, and mobility especially for long bones and extremities. The workstation manages workflow and stores PHI. The equipment is experiencing issues and requires assessment and possible repairs from the vendor that may add to the total cost after the initial assessment. Hologic is the OEM vendor of the equipment, so they were called and have provided a quote for an initial onsite assessment of broken equipment with the possibility of additional costs for any repair parts and services that may be needed.
4. **Description of market research conducted and results or statement why it was not conducted:** Government-wide database of contracts and other Government and commercial databases that provide information relevant to agency acquisitions such as VetCert, GSA e-Library, SBA DSBS, and FPDS were queried. The first search was on VetCert using NAICS "811210", which produced 319 broad results. GSA e-Library search under manufacture "Hologic" yielded 1 scheduled contractor, [REDACTED]

VHAPG Part 813.106 Simplified Acquisition Procedures: Soliciting from a Single Source
Single Source Justification for SAP under the SAT

[REDACTED] SBA DSBS inquiry using NAICS "811210" along with keyword "Hologic" generated 2 profiles matching criteria, SB Nurtonics Imaging Inc, and SB Nexus Group, LLC, only one of which (SB Nurtonic) capabilities narrative claim they can provide new and used Hologic equipment, however repair and support services are what is being requested. Last search was on FPDS using keyword "Hologic Repair Service" returned 23 contract actions for the same or similar C-Arm Repair Services all through OEM Hologic. All market research leads to OEM LB Hologic being able provide the most efficient and appropriate service for their broken equipment, Hologic is the most advisable vendor.

5. **Contracting Officer's Certification:** *Purchase is approved in accordance with FAR13.106-1(b). I certify that the foregoing justification is accurate and complete to the best of my knowledge and belief.*
