

THIS IS A NOTICE OF INTENT TO AWARD A SOLE SOURCE CONTRACT AND NOT A COMPETITIVE REQUEST FOR QUOTE.

The National Park Service, Contracting Operations Central, Ohio Major Acquisition Buying Office, intends to issue a Sole Source award Water Testing Service for the Voyageur's National Park in International Falls, MN.

The requirement is for the services of an analytical laboratory to determine the levels of E-Coli/Coliform/Fecal Coliform in the park water systems per Safe Drinking Water Act, AS AMENDED (42 U.S.C. 7401 ET SEQ.) AND Directors Order 83, Reference Manual 83A-1.

The National Park Service intends to procure water testing service from one source under the authority of FAR 13.106-1(b). This will be a commercial acquisition using simplified acquisition procedures and will be classified under North American Industry Classification System (NAICS) 541380. This is a Sole Source Notice and not a request for quotations. No solicitation document is available with this notice. A determination not to compete this proposed order based on responses to this notice will be made at the discretion of the Government. Information received as a result of this notice will be considered for support of the Government's determination to support of a non-competitive strategy.
