DESCRIPTION

In accordance with FAR 13.106-1(b), this Notice of Intent is to inform all parties the Department of Veterans Affairs, Network Contracting Office (NCO) 19 located at 6162 South Willow Drive Suite 300, Greenwood Village, CO 80111 intends to award a sole source procurement for the following requirement to the small business manufacturer, ScriptPro USA Inc. 5828 Reeds Road Mission, KS 66202-2740:

Item #	Description/Part Number*	Qty
0001	Quote #Q14770 SEPG #354394,365400, 365405 Eyecon Model 9430	1
0002	Installation Eyecon 9430	1
0003	Eyecon Interface Controller (RP280260)	1
0004	Field Services (per diem)	1

This requisition is not for replacing ScriptPro equipment, storage, and software solutions already implemented in the Fort Harrison and Billings hospital pharmacies. Rather, this requisition will replace the ScriptPro Eyecon Model 9430. A response must address all six of the below requirements. The deadline is 3:00pm Mountain Standard Time, Tuesday, March 18, 2025.

Contractor will have capacity to deliver equipment and install equipment to both Fort Harrison and Billings Pharmacies, as set forth in the contract.

LONG-TERM REQUIREMENT

While responses are expected to show evidence of compatibility, responses cannot seek to propose new solutions seeking to change long-term plans already implemented with ScriptPro equipment, storage, and software, with which the Eyecon model 9430 replacement must interface.

OTHER REQUIREMENTS

1. The Eyecon model 9430 replacement must be compliant with ScriptPro automation robots.
2. The replacement must allow Pharmacy to scan the ScriptPro barcodes on medication bottles.
3. The replacement must be able to interface with the ScriptPro Inventory Management System (SIMS) used by Fort Harrison and Billings pharmacies and other departments.
4. The replacement must have compliant software with ScriptPro to ensure error messages for both miscounts and wrong products display, based on the scanning of the barcode labels.
5. The replacement will link the inventory count with the McKesson Connect Wholesaler System already used in hospital facilities.
6. ScriptPro reports that as the OEM, it is the only source for maintenance/updates, or modifications and upgrades to our system(s).
