4. Statutory Authority Permitting Other Than Full & Open Competition

This J&A is based upon the authority of 10 USC 3204(A) (1), only one or a limited number of responsible sources will satisfy agency requirements, as implemented by FAR 6.302-1

5. Rationale Justifying Use of Cited Authority

A/RMC 3

Acquire, for the second or subsequent time, directly from the actual manufacturer.

A/RMSC R

The Government does not own the data or the rights to the data needed to purchase / contract repair of this part from additional sources. It has been determined to be uneconomical to buy the data or rights to the data. It is uneconomical to reverse engineer the part. This code is used when the Government did not initially purchase the data and/or rights. If only one source has the rights or data to manufacture/repair this item, A/RMCs 3, 4, or 5 are valid. If two or more sources have the rights or data to manufacture/repair this item, A/RMCs 1 or 2 are valid.

This acquisition will be solicited to

ISOTECH NORTH AMERICA INC, D/B/A SPECMATRIX, CAGE 3DNR1 The Government does not own the data, or the rights to the data needed to openly compete this procurement requirement. The source listed above, who is the OEM, and is the only source that maintains the design and manufacturing standards via design drawings, manufacture procedures, and quality assurance procedures and is the only company who can fulfill this obligation. The Government does not have the data/or is not authorized to use the data, to approve alternate sources.

6. Description of Efforts Made To Solicit Offers From as Many Offerors as Practicable

15 MAR 2019 Class Waiver of the Requirement to Post a Request for Information or Sources Sought Notice applies to this requirement

The proposed contract action was synopsized on the government-wide point of entry on

01/29/2025

and as a result

Market research was conducted in accordance with far part 10. The results of the market research conducted (or the reason(s) market research was not conducted) are as follows

7. Determination of Fair And Reasonable Cost

The contracting officer determines that the anticipated cost to the Government of the supplies covered by this J&A will be fair and reasonable.

8. Actions to Remove Barriers to Future Competition

To promote competition, NAVSUP WSS will continue to encourage vendors with the expertise to manufacture/repair the subject item to submit a complete technical data package for review and source approval by the appropriate engineering source approval authority per the (WSS) guidelines. Also, future requirements will be advertised on the government-wide point of entry. For reasons set forth in Paragraph (5 & 6), NAVSUP WSS has no plans at this time to

compete future contracts for the subject item covered by this document. If another potential manufacturing source emerges, NAVSUP WSS will assess whether competition for future requirements is feasible. Also, future requirements will be advertised on the government-wide point of entry.
