## Q1. QUESTIONS AND ANSWERS

1. In looking at the old contract from FY 2000, all funding sources (SAM.gov, FPDS.gov, and USASpending.gov) point to only \$52,910 being paid against the contract. What has been the total spend on the current contract?

**Answer:** The estimated contract value is \$3,000,000.00. Orders were placed by Government Purchase Cards.

2. CLINS 0001/1001/2001/3001/4001. Please split this line item into 2 line items – one line item for each VAMC. This will help to determine proper staffing levels for each warehouse.

**Answer:** Reference Section B.2 Price Schedule for changes.

3. CLINS 0001, 1001, 2001, 3001, and 4001 – the unit of measure shows “MO”, but the description of supplies/services clearly shows it is a job. Recommend changing the unit of measure to “JB” or “EA.”

**Answer:** Reference Section B.2 Price Schedule for changes.

4. CLINS 0005, 1005, 2005, 3005, and 4005
  - a. The unit of measure shows “EA,” but the description of supplies/services clearly shows it as an hourly charge. Recommend changing the unit of measure to “HR.”
  - b. The quantity shows 17. Is this correct? The quantity seems very low to repair DME for two separate VAMCs.

**Answer:** a. Reference section B.2 Price Schedule for changes.

b. The quantities are correct, the line items are specifically for complex repairs which are infrequent.

5. CLINS 0007, 1007, 2007, 3007, and 4007 – the unit of measure shows “EA”, but the description of supplies/services clearly shows it is a job. Recommend changing the unit of measure to “JB.”

Answer: Reference section B.2 Price Schedule for changes.

6. Will the contractor be required to do a fall risk assessment? (As a point of reference, the James A Haley does, while the CW Bill Young, Lake Nona, and Malcom Randall VAMCs do not.)

Answer: No, the contractor will be required to conduct and document a Basic Home Safety assessment.

7. Recommend changing the 24-hour requirement in paragraph 13.1 on page 21 to 1 business day. This will allow compliance with the business hours stated in paragraph 7 since it would cover orders received on Friday or the day before a federal holiday to be made the next business day.

Answer: Requirement stands as is. Afterhours, weekend and/or holiday are considered when monitoring for service timeline compliance.

8. Regarding Key West, does this location still fall under the four (4) hour emergency response or the eight (8) hour emergency response?

Answer: The Emergency trip line item specifies a delivery timeline of 4-hours up to 8-hours, this line item and specified timeline does apply to Key West.

9. Regarding the TB test requirement found in paragraph 26.7. The VA has not required an annual test since 2023; however, one is required upon hire. Why is this still an annual requirement and not an employment requirement?

Answer: Reference page two of this amendment for changes in the statement of work.

10. Is the vendor responsible for tracking its employees’ seasonal flu shots and/or COVID-19 vaccination status and provide this information to the VA?

Answer: Yes, the documentation should be documented in the respective employee file and made readily available to VA staff/COR for validation/auditing purposes.

11. Will the VA need a copy of the ACHA background check result or just the date it was done?

Answer: ACHA background check documentation should be maintained in the respective employee file and made readily available to VA staff/COR for validation/auditing purposes.

12. Regarding the requirement to give a copy of the driver’s license to the VA. Doing this would violate the employee’s personal information as it clearly shows the employee’s home address, middle name, and birthdate. Is it possible to provide the following information instead?

- a. Driver’s license number
- b. Class of driver’s license (e.g., CDL or Safe Driver or any other driver’s license endorsement).
- c. State of issue (this will have to be Florida, since if you are employed full-time in Florida, you must obtain a Florida driver’s license within 30 days by Florida Law)
- d. Driver’s license expiration date
- e. In cases of a CDL license, when the current physical expires.

Answer: Reference page two of this amendment for changes in the statement of work.

13. 3.1 Delivery charges under this contract shall be based on a flat rate zone charge. The zone radiates out from each VAMC/VHCS Facility in the VISN 8 Southern zone and are based on the counties surrounding each facility. Refer to Attachment A located in Section D.

Question: This statement in the PWS is suggesting we are to charge a flat rate charge per zone. Since there are 2 VAMCs associated with this contract, there should be 2 line items, one for each zone. Please clarify.

Answer: Contract is for the Southern Zone of VISN 8 which encompasses the Miami and West Palm Beach VA Healthcare Systems therefore the one flat rate will apply to both facilities and their respective catchment areas (counties).

14. 3.3 Contractors who provide DME contract coverage for the southern zone may have limited situations where they shall need to pick-up/deliver outside of their service area(s). There shall be NO extra charge for pick-up/delivery with the exception of additional mileage charges (Example: Delivery/pick-up for a patient who may live in the central zone but receives services from a southern zone contractor). **There shall be NO charge for pick-up/transfer of equipment from a northern zone vendor facility to a central or southern zone vendor facility and vice versa regardless of if it is the same or a different Contractor.**

Question: Please delete the final sentence in the above paragraph. Obviously, contractors expect to be able to bill the VA for a trip that covers hundreds of miles.

Answer: Sentence stands as written.

15. Is information regarding the quantity of each product ordered by HCPCS/Zip Code if available?

Answer: Data is not available.

16. Who is the current provider?

Answer: The current contractor performing is Warrior Service Company, LLC.

17. How many employees does the current provider have dedicated to this contract?

Answer: Contracting office does not have this data.

18. Is the current price schedule available for review?

Answer: Reference Section B.2 of the Price Schedule on page 6.

19. Will this contract be awarded to more than 1 provider?

Answer: Reference Section 1.2 Objective in the solicitation on page 14.

20. Vendor is accredited by the Board of Certification (<https://www.bocusa.org/accreditation/.org>) as a DME supplier. Is this this accreditation sufficient to be considered for a contract?

Answer: Reference Section 1.6 Accreditation Requirements on page 15 of the solicitation.

21. What is typical inventory on hand?

Answer: Reference Section 8 Equipment and Supplies on page 17 of the solicitation.

22. Please kindly provide the required documents at your earliest convenience. Additionally, if there are any registration requirements or deadlines we should be aware of, kindly let us know.
