

Notice of Upcoming Ames Facilities Support Services II Requirement and Industry Day Information **Update 2**

Key Information:

- **Draft RFP Release:** We plan to post a draft Request for Proposal (RFP) in early 2025. The draft will provide interested parties an opportunity to review and ask questions on the proposed requirements and terms.
- **Virtual Requirement Walk-Through:** A virtual walk-through of the DRFP and the AFSS II requirement will be scheduled after the release of the DRFP. This session will allow interested parties to ask any remaining questions, clarify details, and receive information on the proposal submission process.
- **Industry Day:** Industry Day will be hosted in person on March 26, 2025. Registration is required. See Industry Day Instructions below for more information.
- **In-Person and Virtual One on Ones:** The day after the industry day will be set aside for in-person one on one meetings with interested parties. See One-on-One Instructions below for more information.
- **Final RFP:** The final RFP will be released following the review period for the draft, with a clear timeline for proposals to be submitted.

We encourage all 8(a) certified businesses to stay informed and review the draft RFP once posted. This is a valuable opportunity to review and ask questions to ensure a thoughtful proposal is provided.

For any questions or additional information, please contact Anna.m.foreman@nasa.gov. We look forward to your participation.

NASA Ames Facilities Support Services II (AFSS II)
Industry Day Announcement

An In-Person Industry Day will be held as indicated below:

Date/Time: **March 26, 2025 at 8:00 a.m. Pacific Time (PT)** - Registered participants will receive an email with detailed meeting information.

Location: Ames Research Center Moffett Field, CA 94035

The AFSS II Industry Day will be hosted in person at the Ames Research Center.

The event will provide an overview of the requirement and include several presentations and a tour of the pertinent facilities. To register for Industry Day, please send an email to Anna M. Foreman, Anna.m.foreman@nasa.gov.

Please include the required registration information stated below in the email and refer to paragraph (c) below for additional details.

The deadline to register for Industry Day is 3:00 p.m. PT on March 19th, 2025.

Interested parties who register and meet the requirements outlined below and in paragraph (c) will receive an email that contains the itinerary and specific meeting information for Industry Day.

PLEASE INCLUDE THE FOLLOWING INFORMATION IN THE EMAIL REQUESTING INDUSTRY DAY REGISTRATION:

Registration Instructions

- Send email to Anna M. Foreman at anna.m.foreman@nasa.gov
- Subject/title of the email registration: Industry Day 80ARC025R0001 - [Company Name]
- Industry Day is limited to three (3) participants per **proposal team**

Registration Information

- Full name of all attendees (maximum of 3 participants)
- Identification of nationality (U.S.¹. ~~or specify other nation citizenship~~)
- ~~Lawful Permanent Resident Numbers (if foreign national)~~
- Company affiliation
- Full office address and phone numbers
- Job titles of all participants
- Email addresses of all participants

¹ At the time of this revision, on March 17th, 2025, we are no longer able to accept visitors with a nationality other than United States. If you have any questions about this update please reach out to the Contracting Officer Directly. Thank you

The Industry Day information such as the presentations, attendee list and all questions and answers will be posted on <https://sam.gov/content/home> following the event. Interested parties are responsible for monitoring <https://sam.gov/content/home> for additional information and details.

- (a) Attendance: Attendance at Industry Day is recommended; however, attendance is neither required nor a prerequisite for proposal/bid submission and will not be considered in the evaluation.

Offerors, individuals or interested parties who plan to attend industry day must provide the Contracting Officer in writing, at a minimum, full name of the attendee(s), identification of nationality (U.S. or specify other nation citizenship), Lawful Permanent Resident Numbers in the case of foreign nationals, affiliation, and full office address/phone number. The Government is not responsible for offerors' inability to obtain clearance within sufficient time to attend the conference.

Representation of any potential Offeror may not exceed (3) company representatives/persons per Company. Any "lobbying firm or lobbyist" as defined in 2 U.S.C. 1602(9) and (10), or any Offeror represented by a lobbyist under the Lobbying Disclosure Act of 1995 shall be specifically identified.

- (b) Recordings: No recordings (audio, video, or photos) will be allowed by offerors, individuals, or interested parties that attend the virtual Industry Day.
- (c) Questions and Answers: A Q&A template for submitting questions or comments prior to industry day will be provided to accepted registered respondents. **This template has also been uploaded to this posting and those companies who have questions can use this template to submit them as soon as possible.** The Government may allow for "Live Questions and Answers" to be anonymously submitted at the Industry Day event. However, **all** questions, together with the Government's response, will be transmitted via the Government Point of Entry (GPE).

In Person and Virtual One-on-One Meetings Announcement

In-Person and virtual One-on-One Meetings will be held as indicated below:

In-Person Date/Time: **March 27, 2025** - Registered participants will receive an email with detailed meeting information.

Location: Ames Research Center Moffett Field, CA 94035

AFSS II One-on-One meetings will be hosted **in person** at the Ames Research Center, on a first come first serve basis for the Interested Vendors who attend the Industry Day on March 26th.

AFSS II One-on-One meetings will be **virtually** hosted via Microsoft Teams, for any interested vendors at a date and time to be discussed after registration request is received.

These one-on-ones will allow an opportunity for each company team to ask questions directly to the Contracting Officer and other technical experts. To register for a One-on-One meeting, please send an email to Anna M. Foreman, Anna.m.foreman@nasa.gov. A registration request for a One-on-One meeting and the Industry Day attendance **may** be the same email if the personnel are the same.

Please include the required registration information stated below in the email and refer to paragraph (c) below for additional details.

The deadline to register for a One-on-One meeting is 3:00 p.m. PT on March 20th, 2025.

Interested parties who register and meet the requirements outlined below and in paragraph (c) will receive an email that contains a date, time and locations/virtual place holder for the requested one-on-one meeting.

PLEASE INCLUDE THE FOLLOWING INFORMATION IN THE EMAIL REQUESTING A ONE-ON-ONE (EITHER IN PERSON OR VIRTUALLY) REGISTRATION:

Registration Instructions

- Send email to Anna M. Foreman at anna.m.foreman@nasa.gov
- Subject/title of the email registration: [In-Person OR Virtual] One-On-One Request 80ARC025R0001 - [Company Name]
- In-Person One-on-one meetings are limited to three (3) participants per **proposal team**. Virtual One-on-One meetings are not limited in the number of participants that may attend.

In-Person One-on-One Meeting Registration Information

- Full name of all attendees (maximum of 3 participants)
- Identification of nationality (U.S. or specify other nation citizenship)
- Lawful Permanent Resident Numbers (if foreign national)

- Company affiliation
- Full office address and phone numbers
- Job titles of all participants
- Email addresses of all participants

Virtual One-on-One Meeting Registration Information

- Full name of all attendees
- Company affiliation
- Job titles of all participants
- Email addresses of all participants

- (a) Attendance: Registration of an in-person one-on-one meeting will be first come first serve for those interested vendors who attended the Industry Day the day prior. Registration of interested vendors who are unable to attend the industry day but are interested in meeting with the Contracting Office, a virtual one-on-one meeting is recommended. Holding a One-on-One meeting is neither required nor a prerequisite for proposal/bid submission and will not be considered in the evaluation.

Offerors, individuals or interested parties who plan to attend an in-person one-on-one must provide the Contracting Officer in writing, at a minimum, full name of the attendee(s), identification of nationality (U.S. or specify other nation citizenship), Lawful Permanent Resident Numbers in the case of foreign nationals, affiliation, and full office address/phone number. The Government is not responsible for offerors' inability to obtain clearance within sufficient time to attend the conference.

Representation of any potential Offeror may not exceed (3) company representatives/persons per Company. Any "lobbying firm or lobbyist" as defined in 2 U.S.C. 1602(9) and (10), or any Offeror represented by a lobbyist under the Lobbying Disclosure Act of 1995 shall be specifically identified.

- (b) Recordings: No recordings (audio, video, or photos) will be allowed by offerors, individuals, or interested parties.
