

DEPARTMENT OF VETERANS AFFAIRS

**Justification for Brand Name Only Awards IAW [FAR 13.106-1](#)
For Over Micro-Purchase Threshold but Not Exceeding the SAT (\$250K)**

Acquisition Plan Action ID: 36C252-25-AP-1134

1. **Contracting Activity:** Department of Veterans Affairs, VISN 12, William S. Middleton Memorial Veterans Hospital has submitted 607-25-2-969-0030 for Progressa+ICU Beds to the Great Lakes Acquisition Center (NCO12).

2. **Brief Description of Supplies/ Services required and the intended use/Estimated Amount:**

The Hillrom Progressa+ ICU bed is a specialty ICU bed designed to support patients with critical needs. Its pressure redistribution system helps prevent skin injuries due to heat, moisture, pressure, and friction. It also features various adjustable settings that enable staff to safely move and reposition patients, which reduces patient and staff injuries, promotes pulmonary functioning, and mobility therapy. These beds also promote detailed and accurate communication of urgent needs through its Voalte Alert & Alarm Management system, helping staff to quickly address needs effectively and appropriately.

This order is estimated at [REDACTED]

3. **Unique characteristics that limit availability to only one source, with the reason no other supplies or services can be used:**

The Hillrom Progressa+ ICU bed is the best choice for the Madison VA ICU department. This bed has patient safety options that staff are very familiar with such as the fall and pressure injury notifications. It also has a head angle alarm which is important option for ICU patients. Additional features include Patient Migration Management, rotation, percussion & vibration, and most importantly the Chair Egress position – all of which enable a safer and more efficient patient and staff experience. The ICU department currently has other Progressa beds in use. Standardizing brands will save time and costs associated with staff familiarization and coordinating all echelons of maintenance.

4. **Description of market research conducted and results or statement why it was not conducted:**

The original equipment manufacturer (OEM) for this is HILL-ROM, INC. part of the Baxter corporation they are located Batesville, IN. HILL-ROM, INC. is considered a large business per FedData Reps and Certs. An inquiry was completed to VetCert for NAICS Code 339112 resulted in 668 SDVOSB VOSB vendors but this doesn't represent interested parties or authorized distributors. An inquiry to the OEM was completed to maximize competition. The OEM identified it has three distributors authorized to sell their product to the Department of Veteran Affairs.

[REDACTED] (SDVOSB) [REDACTED] (SDVOSB) [REDACTED]
The [REDACTED] (SDVOSB) [REDACTED]. Contract Specialist did a search on GSA advantage the PROGRESSA+ ICU BED was not on GSA advantage. Based on the information provided above, it is determined this procurement shall be set-aside for Small Business (Open Market/Brand Name only),
