

The 316th Contracting Squadron at Joint Base Andrews, Maryland intends to award a simplified acquisition on a sole source basis to Washington Metropolitan Area Transit (WMATA) in accordance with FAR 6.302-1(a)(2) Only one responsible source. JBA seeks to park general public civilians at a separate location off the installation and then run a shuttle from that site to the Air Show grounds on base. The period of performance requested is estimated on or about 13 September 2025 – 14 September 2025. There are specific requirements pertaining to number of vehicles and proximity to the installation for this satellite parking location:

- 1.1 Total parking spaces to allow for 10,000 vehicles to park on each day (10,000 on Saturday, 13 September 2025 and 10,000 on Sunday, 14 September 2025). This may be accomplished across multiple locations, provided there is a means to transport civilians from satellite parking lots to the two-security screening and pick-up locations
- 1.2 Two separate locations with appropriate space to conduct security screening, as well as space to load and un-load passengers onto shuttles. Each location will require 25,000 square feet to support a rotation of 6 busses, and positioning of magnetometers, security wands, amnesty boxes, inclement weather tents and a safety area for screening/standby personnel. These areas for security screening and loading of passengers shall be no more than 10 miles driving distance from the Joint Base Andrews Visitor Control Center located at 1832 Robert M Bond Dr, Morningside, MD 20746.

A determination by the Government not to compete the proposed procurement action based upon responses to this notice is solely within the discretion of the Government. The North American Industry Classification System (NAICS) Code for this acquisition is 812930 with a size standard of \$47M. Information received will be considered solely for the purpose of determining whether to conduct a competitive procurement. The government will not be responsible for any costs incurred in preparation of any capabilities statements or documents prepared for this notice.

Parties interested in this announcement shall provide detailed information of their capabilities and certifications to clearly meet the requirements stated above. Responses will be via email, to include the company's name, point of contact, address, phone number, UEI number, business size, and CAGE code. All responses must be received by 25 March 2025 by 12pm local time. Responses may be emailed to the Contract Specialist, Ms. Yaneris Dolce via email yaneris.dolce@us.af.mil

NOTE: If documents are sent via e-mail, the contractor will be responsible for validating Government receipt by contacting the Contract Specialist. No solicitation is available and telephone request for information will not be taken.
