The second, and most recent solicitation provided two quotes where contractors could not clearly demonstrate complete understanding the of the SAP destruction and sanitization methodology IAW the described procedures or provide DAF SAPCO approval.

Section E: Steps to Preclude Future Single Source or Brand Name Awards

20 CONS will continue to engage with the 20FW/CVN office on any future SAP IT Destruction and Sanitization requirements to determine if any other vendors have attained DAF SAPCO authority to operate; however, the outcome of the last two solicitations has validated the government's determination of sole source contract award to Gigabiter, LLC.
