DESCRIPTION

The Department of Veterans Affairs intends to solicit and negotiate a Sole Source, Firm Fixed Price Order with the SDVOSB business Fidelis Sustainability Distribution LLC. This procurement is for an upgrade of the Synaptive Modus V robotic digital microscope system to the Modus X. The North American Industry Classification (NAICS) code for this acquisition is 334510. This system is used during surgical procedures, and as such has critical requirements for support and software updates. This equipment has a direct and critical impact on patient care. THE OEM has authorized Fidelis Sustainability Distribution, LLC as its distributor for this equipment. The anticipated award date is March 13, 2025. This requirement is for: Department of Veterans Affairs Portland VA Medical Center 3710 SW US Veterans Hospital Rd. Portland OR 97239. This notice satisfies the requirement at FAR 5.201(b)(1), to publicize the proposed contract action. This notice of intent is not a request for competitive proposals and no solicitation will be made available. Any responses received will only be considered for the purpose of determining the marketplace for future procurements. The Government will not pay for information submitted. This will be the only notice of the Government's intent to solicit, negotiate, and award to one source to satisfy the requirement.

See attached document: FAR 13.5 Sole Source Justification Redacted.
