

Single Source Justification (Simplified Acquisition)

Section A: General Contract Information

Is this a Bridge Action as defined in the [AF Bridge Action Reduction Plan](#)? ☐ Yes ☒ No

Contracting Activity: PZ (Arnold) OL Holloman

Project/Program Name: Cockpit Cooling System

Purchase Request / Local ID Number: TBD

Estimated Contract Cost (including Options): [REDACTED]

Section B: Description of the Supplies/Services Required

The 846 TS requires [REDACTED] test sled cockpit cooling system which will regulate the internal temperature of the cockpit while a specialized testing apparatus, also referred to as a "hot box", will direct and distribute hot air over the external canopy transparency.

Section C: Justification for Soliciting from a Single Source or Brand Name

Lockheed Martin has worked directly with the the 846 Test Squadron (846 TS) on this type of sled testing for the past several years. They are the only ones with the expertise and experience [REDACTED]

Additionally, the 846 TS is on an extremely expedited timeline to meet the customer's testing milestone. [REDACTED] The 846 TS requires designs [REDACTED] by April 2025 to meet this timeline. This timeline does not provide enough time to identify, brief, train, and work with a different entity/company to perform the necessary designs.

If a single source is not granted, [REDACTED]

Section D: Efforts to Obtain Competition

The 846 TS has reached out to Advance Technologies, Inc. (ATI) to perform the design and they said they were not interested this endeavor. Additionally, the customer of this program [REDACTED] as inquired about performing this test at a different test facility [REDACTED], but they could not accommodate a test in the required timeline.

Section E: Steps to Preclude Future Single Source or Brand Name Awards

This is the last test for this program, so the need for another single source or brand name contract is not identified. If another program like this one is chartered, the 846 TS will work with the customer to establish a timeline that allows for multiple vendors to be considered.
